

## **6'4 2 Guard Aaron Perez | 2024 Klein**

**Collins** Shooter With College Ready Size, Scores It at all 3 Levels, and is a Elite Level Shooter in Catch and Shoot Situations. Moves well without the ball in his hands, gets to his spots, and is always shot ready with a quick release so when the help D relaxed Aaron made them pay. Could benefit going the JC Route with the Transfer Portal to Secure An Offer at the Higher Levels (D2+/LM) but nonetheless, Aaron brings a College Ready Weapon to Any Roster at this Stage as a knock down shooter who plays and shoots it with Confidence. NCAA D2 Programs who lead their League in 3pt Attempts & Makes should be all over Aaron as he is an Elite Level Shooter whose best ball is still in front of him. **Projected Levels: D1 JUCO / NCAA D2+ Twitter: AarOnJPerez**
